

1 YEAR. 1 GOAL.

One Year. It's been one year since School Boards Insurance Company and School Claims Services officially joined the Church Mutual Insurance Company (CMIC) family and became **CM Regent Insurance Company**. Much has changed, including our name and logo, but our promise to help Pennsylvania schools excel in creating environments that increase engagement and learning has not.

One Goal. Backed by the expanded resources of CMIC and exclusively endorsed by PSBA, CM Regent Insurance Company will continue to offer schools the most comprehensive insurance protection at the most competitive price possible—all while enhancing the level of service you receive and maintaining our "A" (Excellent) rating by A.M. Best.
