

## **Statement of Unity**

At CM Regent Insurance Company®, we are committed to serving organizations that elevate the human condition and strengthen our communities. The principles of diversity, equity and inclusion are woven into the fabric of our organization, providing support for this commitment.

We believe all people have the right to be treated with dignity and respect. Inspired by this foundational belief, we condemn all expressions and forms of hate, racism, bigotry, misogyny, violence and intolerance. And we pledge to do more than just talk about inequality. We are striving to end inequality through our words and actions, everywhere we go. In that spirit, we will celebrate our differences, lift up those who are hurting and encourage those who hate to find love.
